

COMPANY PROFILE

DigitFMS

EMPOWERING SECURITY EXCELLENCE
THROUGH INNOVATIVE SOLUTIONS

Since 2007, **DigitFMS** has been at the forefront of **cutting-edge security and asset management solutions** across Southern Africa. Our commitment to innovation, reliability, and customer satisfaction has established us as a trusted partner in the security industry.

We specialise in **advanced mobile and fixed asset tracking solutions** that are designed to **enhance operational efficiency, reduce risk, and maximise security** for businesses and individuals alike.

At **DigitFMS**, we specialise in advanced **fleet management, driver behaviour monitoring, and real-time GPS tracking solutions** tailored for businesses across Africa. Our cutting-edge, **AI-powered CCTV systems and intrusion detection technology** offer unmatched surveillance and security for both **mobile fleets and fixed assets**.

With a network of over **100 franchises** and a rapidly expanding footprint across the continent, Digit FMS is your trusted partner in delivering reliable, innovative, and scalable security solutions that protect what matters most.

MISSION

TO PROTECT AND EMPOWER OUR CLIENTS BY PROVIDING CUTTING-EDGE SECURITY SOLUTIONS, FOSTERING LASTING RELATIONSHIPS, AND ENSURING HASSLE-FREE EXPERIENCES.

VISION

TO REDEFINE SECURITY STANDARDS IN SOUTHERN AFRICA BY DELIVERING EXCEPTIONAL, TAILORED SOLUTIONS AND UNPARALLELED CUSTOMER EXPERIENCES.

OUR SERVICES

At **DigitFMS**, we deliver cutting-edge solutions that protect, monitor, and optimise your mobile and fixed assets. Our innovative technologies are purpose-built to boost operational efficiency, strengthen safety, and minimise risks—empowering your business to perform at its best. With **DigitFMS**, you don't just manage your assets—you take control.

VEHICLE TRACKING FOR FLEET MANAGEMENT

Track, manage, and optimise your fleet with precision. Our advanced vehicle tracking solutions deliver real-time location data, driver behaviour insights, and intelligent reporting—helping you cut costs, boost efficiency, and enhance safety. Stay in control, prevent losses, and maximise fleet performance with technology built for smarter, faster decision-making.

TRUCK FUEL MONITORING SYSTEMS

Our Truck Fuel Monitoring Systems give you real-time visibility and control over every litre of fuel. Prevent theft, cut wastage, and slash costs with precision tracking and instant alerts. Boost fleet efficiency, protect profits, and make smarter fuel decisions with technology built for performance, accuracy, and savings.

BULK FUEL BOWSER MANAGEMENT

DigitFMS Bulk Fuel Bowser Management delivers total control over your fuel distribution. Track, monitor, and secure every litre with precision technology that prevents theft, eliminates wastage, and optimises usage. Designed for accuracy, efficiency, and security—empowering your business to protect profits and streamline fuel operations effortlessly.

MOBILE VIDEO WITH ADAS

Enhance fleet safety with Digit FMS Mobile Video and ADAS. Our advanced dashcam and driver-assist technology delivers real-time video, collision warnings, lane departure alerts, and driver behaviour insights. Reduce accidents, prevent costly incidents, and protect your assets with intelligent, proactive monitoring that keeps your fleet safer, smarter, and more efficient.

WIRELESS ALARM SYSTEMS

Smart, Reliable, Always On
Protect your property with Digit FMS's advanced Wireless Alarm Systems. Easy to install, tamper-resistant, and linked to 24/7 monitoring, they deliver instant alerts and rapid response. Stay secure with cutting-edge technology that keeps you connected and in control—anytime, anywhere.

CCTV AND ACCESS CONTROL

DigitFMS CCTV & Access Control delivers 24/7 surveillance and intelligent entry management to protect your assets. Our advanced systems deter threats, monitor activity in real time, and ensure only authorised access—giving you total control, improved security, and peace of mind for your business.

OUR SERVICES CONTINUED

CHILLI PEPPER DISPERSING & FOG DEPLOYMENT

Chilli Pepper Dispersing & Fog Deployment delivers a powerful, non-lethal defence for high-risk environments. Instantly disable intruders with intense pepper deterrent and zero-visibility fog, protecting assets like vehicles, warehouses, and transformers. Rapid activation, proven effectiveness, and uncompromising safety—your ultimate line of defence against theft and looting.

AUTONOMOUS ROBOTICS

Revolutionise security and operations with DigitFMS Autonomous Robotics. Our intelligent, self-operating robots deliver round-the-clock surveillance, rapid threat detection, and precision response—without human limitations. Designed for reliability and efficiency, they enhance safety, cut costs, and provide unmatched asset protection in any environment. Smart. Fast. Unstoppable.

NIGHT VISION AND RECORDING

See Clearly, Protect Confidently – Our Night Vision and Recording solutions deliver crystal-clear surveillance in complete darkness. Capture every detail with advanced infrared technology, 24/7 recording, and reliable evidence for investigations. Perfect for high-risk sites, fleet security, and asset protection—because threats don't stop when the sun goes down.

OFF-SITE MONITORING

Off-Site Monitoring by Digit FMS delivers 24/7 intelligent surveillance for your assets—anytime, anywhere. Our trained operators and advanced technology detect threats instantly, respond immediately, and keep you informed. Cost-effective, proactive, and always alert—ensuring your property is never left unprotected. Your security, our constant watch.

FINANCE

We empower businesses and individuals with smart, customised financial solutions that drive growth and stability. From strategic planning to risk management, our expert team delivers clarity, confidence, and measurable results. We turn complex financial challenges into opportunities—helping you protect assets, maximise returns, and achieve long-term success.

INSURANCE

DigitFMS Insurance delivers intelligent, tailored cover for fleets and business assets. Seamlessly integrated with our advanced tracking systems, we provide real-time protection, proactive risk management, and fast claims processing—ensuring your operation stays secure, efficient, and profitable, no matter what challenges arise.

OUR VALUES

INNOVATE AND ELEVATE

We relentlessly pursue forward-thinking solutions, harnessing cutting-edge technology to outpace emerging threats and deliver unmatched protection for our clients' assets.

PROTECT AND SERVE

We put the safety and security of our clients, their assets, and their people at the heart of everything we do—protecting what matters most, always.

COLLABORATIVE EXCELLENCE

We cultivate a dynamic culture built on collaboration, expertise, and transparent communication, empowering our teams to deliver exceptional results and innovative solutions that exceed client expectations.

INTEGRITY AND TRANSPARENCY

Responsive & Reliable – We uphold the highest standards of integrity, transparency, and accountability, ensuring every interaction builds trust, delivers value, and strengthens lasting partnerships.

CUSTOMER CENTRICITY

We put our clients at the centre of every decision, delivering tailored solutions and exceptional service that drive results, build trust, and create lasting value.

PROACTIVE AND RESPONSIVE

We proactively anticipate evolving security threats and respond instantly, delivering seamless, uninterrupted protection you can trust.

WHY CHOOSE US

Choosing DigitFMS means partnering with an industry leader in asset management and security—a brand trusted by businesses nationwide. Driven by innovation and a commitment to excellence, we deliver cutting-edge technology, unmatched reliability, and measurable cost savings. Our customer-first approach ensures every solution is tailored for maximum efficiency, protection, and value.

1

COMPREHENSIVE SOLUTIONS

We provide a fully integrated suite of asset management solutions that safeguard both mobile and fixed assets. Our advanced technologies deliver unmatched protection, streamline operations, and maximise efficiency—ensuring your business runs smarter, safer, and more profitably.

2

CUTTING-EDGE TECHNOLOGY

Our solutions combine state-of-the-art GPS tracking, AI-driven surveillance, and advanced fuel management to deliver unmatched security, precision monitoring, and real-time insights—empowering you to protect assets, boost efficiency, and stay in complete control.

3

PROVEN RELIABILITY

With a network of over 100 franchises across Africa, DigitFMS is a trusted industry leader in innovative asset management and advanced security solutions, delivering proven protection and performance to businesses of all sizes.

4

EXPERT SUPPORT

Our expert team is committed to delivering exceptional, round-the-clock support, ensuring your assets remain protected, monitored, and performing at their best. With Digit FMS, you gain a trusted partner who keeps your operations secure, efficient, and worry-free.

5

SEAMLESS INTEGRATION

All our solutions integrate seamlessly into a single, powerful platform—streamlining asset management, maximising efficiency, and unlocking peak performance across your entire operation.

6

FLEXIBLE FINANCING OPTIONS

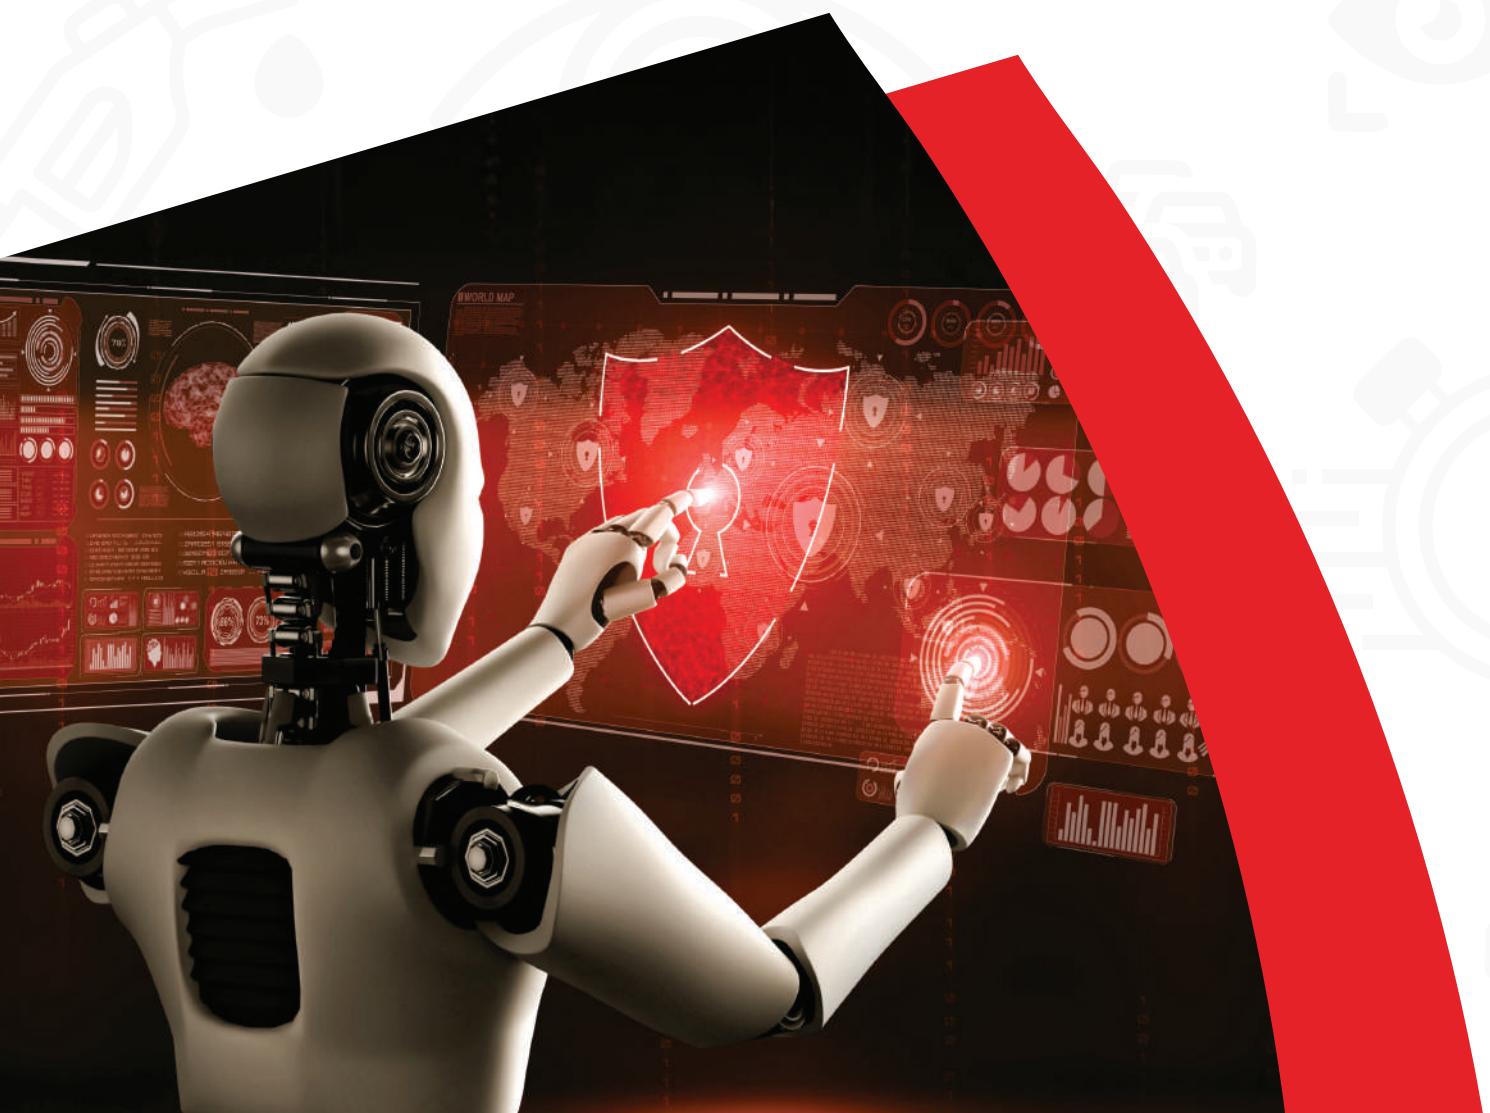

We offer flexible, tailored financial solutions that remove cost barriers—making it simple for businesses to access and benefit from our advanced technology without straining their budget.

TECHNOLOGICAL ADVANCEMENTS & INNOVATION

At **DigitFMS**, innovation drives every solution we deliver. We combine **GPS tracking**, **AI-powered analytics**, and **RFID technology** to give businesses unparalleled visibility and control over their assets. Our end-to-end offerings—ranging from real-time fleet monitoring and intelligent fuel management to advanced CCTV surveillance and intrusion detection—are designed to **optimise efficiency, cut costs, and mitigate risks**.

With powerful features like **mobile app integration**, **remote vehicle disarm capabilities**, and **AI-enhanced video feeds**, we equip you with the tools to stay ahead in today's fast-paced, high-risk environment. Every system we design is built for performance today and scalability tomorrow—ensuring your business remains secure, agile, and future-ready.

DigitFMS doesn't just supply technology - we deliver **smart, integrated solutions** that protect your assets, enhance decision-making, and drive measurable results.

SUSTAINABILITY & CORPORATE SOCIAL RESPONSIBILITY (CSR)

At **DigitFMS**, corporate responsibility and sustainability are more than commitments—they're built into everything we do. Our advanced solutions not only optimise operational efficiency but also significantly reduce environmental impact. By streamlining fleet management and fuel usage, we help businesses cut emissions, lower fuel consumption, and achieve measurable sustainability goals.

Our technology minimises waste, enhances resource management, and supports cleaner, greener operations—proving that efficiency and environmental care can go hand in hand. Beyond business, we actively invest in community initiatives, champion local causes, and foster a culture of responsibility among our teams and partners.

We believe a truly successful business is one that drives positive change. That's why **DigitFMS** is dedicated to protecting assets, improving performance, and leaving a lasting positive impact on both the environment and society. With us, you're not just choosing a service provider—you're partnering with a force for good.

FUTURE VISION & ROADMAP

At **DigitFMS**, our vision is clear—to shape a smarter, safer, and more connected future for businesses worldwide. We're committed to:

- Expanding globally, taking our proven solutions beyond Africa to new markets.
- Advancing AI innovation to deliver next-generation predictive analytics.
- Driving sustainability through eco-friendly technologies that support responsible business practices.

As we look to the future, our mission remains steadfast: to lead the evolution of asset management and security solutions. By combining cutting-edge technology, intelligent insights, and a forward-thinking approach, we empower businesses to operate with greater control, efficiency, and confidence—no matter where they are in the world.

COMPREHENSIVE SUPPORT & CENTRALIZED MANAGEMENT

WHERE EFFICIENCY MEETS UNMATCHED RELIABILITY

At **DigitFMS**, our 24/7 Centralised Control Room is the nerve centre of our operations—delivering constant, expert monitoring of your assets. By integrating real-time data from multiple systems, we ensure rapid incident response, proactive threat management, and the peace of mind that your assets are always protected.

Beyond world-class monitoring, Digit Finance empowers businesses to access the latest technology without financial strain. From flexible equipment financing and rental programmes to seamless upgrade plans, we make it easy to stay ahead with cutting-edge solutions.

This powerful combination of state-of-the-art control and tailored financing sets **DigitFMS** apart—providing every client with exceptional support, maximum efficiency, and the confidence to operate without compromise. With **DigitFMS**, you gain more than a service provider—you gain a strategic partner in security and asset management.
